Awareness

If all of us would start to look for more troubles, and learn to handle them cheerfully and with good judgement, as opportunities rather than irritations, we would find ourselves getting ahead at a surprising rate. For it is a fact that there are plenty of big jobs waiting for men and women who aren't afraid of the troubles connected with them.

The Editor.

MOUTH PUBLIC LIBRARY
IRT STREET
OUTH, VA 23704

It is not the best of times.

It is the time when no man dare
give up his daily struggle for survival . . .

And yes, it is the time when both
morals and morale
have sunken to the depths of the deepest sea!

Fear has entered the minds and hearts
of many as a result of these times.

Yet, we feel the warmth from the
spark of hope for our tomorrow as
the fruit of your labors.

For this, from all of us, to all of you,
we give great thanks.

If we have not peace within ourselves it is in vain to seek it from outward sources.

I find the great thing in this world is, not so much where we stand, as in what direction we are moving.

Above all, remember that God helps those who help themselves. Act as if everything depended upon you, and pray as if everything depended upon God.

I consider D.G.H. School of Nursing the place of my rebirth. It has offered to me so many challenges - this I have needed - for how else could I have learned so much!

Lots of Love,
Cheryl Green

Love is the most enriching ingredient of life. Only if you possess desire, dedication, and determination, can you be what you love.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble, it is a real possession in the changing fortunes of time.

MRS. DANIELS,
with the greatest respect and admiration I can possibly put forth to any individual, I cannot begin to put into words what I feel about you, this school, the ... you've given me. Prolonging ... good-byes is ... such a sweet sadness, isn't it ??

You have not fulfilled every duty unless you have fulfilled that of being pleasant.

Marion McLawhorn

No life is so hard that you can't make it easier by the way you take it.

Joyce Murray

I believe in work, hard work and long hours of work. Men do not break down from overwork, but from worry and dissipation.

Mrs. Daniels, I said so
All true I have before,
many times before,
there is no which
thing we shall make
known we have all part
at least that
you shall give me
the opportunity to
this heart I can make
myself work.
The future that is your

The grand essentials to happiness in this life are something to do, something to love, and something to hope for.

Michelle Passaris

You never really leave a place you love. Part of it you take with you leaving a part of you behind.

William Joseph Roth

Always take on more than you can possibly handle, or you'll never do all you can do.

The real test in golf and in life is not in keeping out of the rough, but in getting out after you're in it.
